**Spelling Practice
Activity**

Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's spelling words, try the following activity.

Dictate sentences to your child that contain the spelling words. Have your child rewrite each sentence as a question. Encourage your child to read the sentences aloud and to notice how the expression of his or her voice changes when asking a question.

Examples:

You **deserve** respect. (Do you **deserve** respect?)

It is important to **search** for clues. (Why is it important to **search** for clues?)
