Spelling Practice Activity

Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's spelling words, try the following activity.

Play a game using the spelling words by having your child identify and spell a word from clues you provide. Possible clues include definitions, synonyms, antonyms, rhyming words, or hints to spelling patterns.

Examples:

This word is an antonym for **permanent**.
(**temporary**)

People buy medication at this place. (**pharmacy**)

If you disagree with someone, you might do this during your discussions with them.
