#### Spelling Practice Activity

##### Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's spelling words, try the following activity.

Create riddles for five or six of the spelling words. Say each riddle aloud, and have your child write the word that answers the riddle. Pronounce the remaining words, and have your child write each one. Have him or her check the spellings of the words against the list.

##### Examples:

I describe a king or queen. What am I?  
(royal)

I am not unusual. I am very ordinary. What am I?  
(normal)

I am home to parrots, monkeys, and tigers. What am I?  
(jungle)
