Spelling Practice Activity

Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's spelling words, try the following activity.

Dictate a sentence that includes two spelling words. Ask your child to say the sentence and write it on a sheet of paper. Repeat this activity with four or five additional sentences. Pronounce the remaining spelling words, and have your child write them. Have your child check spellings against the word list.

Examples:

Our teacher asked us to study the **diameter** of the **specimen**.

Did I **mention** that we need to get **permission** for our sleepover?

I am on a **mission** to find **cinnamon** rolls.
