Spelling Practice Activity

Dear Family,

Research has shown that the child who receives help and encouragement with his or her homework will get a far better education than the child who does not. Your support, encouragement, and involvement are vital to your child's education. Therefore, throughout the school year you will periodically receive spelling lists and letters with suggestions for activities that will help your child learn spelling and writing skills. These activities will also provide opportunities for you and your child to work together.

Ask your child to write the spelling words correctly on a separate sheet of paper.

My Home Word List
